Catalyzing System Change through Community Engagement

Three (3) learning objectives

By the completion of this session, participants should be able to:

1. Identify opportunities for collaboration among clinicians, researchers, funders and policy makers to address unmet needs in underserved populations.
2. Describe workforce development strategies and career pathways that promote better research about serving individuals with disabilities
3. Analyze successful community academic partnerships to understand key factors that support impactful research and sustainable community engagement and learn how these collaborations began.

Three (3) current (within the past 10 years) *peer-reviewed* publications that support the evidence base for the content of your presentation

Publications must be listed in American Psychological Association (APA) Style (see **www.apastyle.org** for more information).

APA format for journal article citation:
Author last name, Author First Initial. Author Second Initial. (Publication Year). Title of article. *Title of Journal. volume(issue)* (if issue numbered), pages.
